DDIN MARKETPLACE RESOURCE DIRECTORY

Traditional and Classified Display Listings

ENHANCED CLASSIFIED DISPLAY LISTINGS

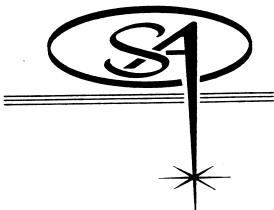

Classified listings provide an opportunity for greater exposure in the DDIN MARKETPLACE Resource Directory. Advertisers can supply camera ready display advertisements that are 2-3/16" (56mm) wide to fit a standard 3 column page format by whatever length the display advertisement requires. Larson Associates will create display listings and submit them for approval before publication in the directory.

RATE per listing, per issue:
 \$80.00 per column inch

Classified display advertisements are billed on an annual basis for the four annual issues of DDIN International. Display listing advertisements can be changed at any time.

PRODUCTS & SERVICES CATEGORIES

You can select as many categories of products and services that are applicable to your company from the separate "Selection of Product and Services Categories." Each product or service category that you select will be charged according to the above schedule. If you do not see an appropriate category to describe your products, we will create an applicable category to best suit your requirements.

PRODUCT OR SERVICES DESCRIPTIONS

Each selected category can have up to 50 words of information on the company or products offered. It is strongly advised that whoever prepares the description for each category individualize the information for each category. Doing so will add

impact to your listings in the DDIN Marketplace and provide readers with more specialized information on your products or services.
